One or more photo(s) has been virtually staged. Back on the market due to buyer's failed to put escrow on time. This unique property offers the perfect blend of space, privacy, and income potential in the heart of Tampa. Located on two lots totaling over one acre, with no HOA or CDD, youâ€™ll enjoy the freedom to live and invest on your own terms. The main home has been fully remodeled, featuring new flooring, a renovated bathroom, a new A/C system, and a fully fenced perimeter for added security and privacy. The detached in-law suite offers excellent income potential, ideal as a guest house, home office, or Airbnb. There is plenty of room to store boats, trailers, RVs, or vehicles. For investors or developers, this is a rare opportunity â€“ the property is zoned to allow the construction of 4â€“5 new units if you choose to demolish the existing structures. The home also includes a security camera system that stays with the property, providing peace of mind from day one. Whether youâ€™re looking to live, rent, or develop, the possibilities are endless!
